News and Updates – November 2012

The Best Community Living in Wellington!

TRASH DUMPSTERS

Trash must be placed INSIDE the Dumpster, not on the ground. Anyone seen placing trash outside of the dumpster

DON'T "BRAKE" THE LAW!

We have received many complaints regarding residents who are speeding throughout the community. Please do not put innocent people at risk by driving irresponsibly.

We encourage all residents to report any such vehicles to the office with a description of the vehicle and/or tag number.

ADULTS ONLY

No person under 18 years of age is permitted in the fitness center unless accompanied by an adult.

We want to keep our little ones safe! Thank you for following your community policies!

WE LOVE OUR CHILDREN

Parents, your children are very precious to us. We have reports that while riding bicycles and skateboards, children have come very close to being hit by cars. We urge you not to allow them to play in the street!!!

Dear Residents,

We hope everyone had a wonderful summer. Our main goal for the rest of 2012 is for Polo Lakes to remain a community that we are all proud to call "home". However, it takes a united effort to maintain the high standards we've come to expect from such a beautiful community.

We are nestled in the heart of one of the most sought-after towns in South Florida. We are proud of the many compliments from residents & visitors on how beautiful and clean our community looks. We need your help in keeping it that way. Please do not litter, throw cigarette butts on the community grounds & pool area, leave garbage by your apartment, outside of your garbage can or dumpster at any time.

Remember that it takes all of us to keep our community looking top notch at all times, so please remember to be respectful and considerate to your neighbors and your community by keeping it beautiful for all to enjoy to call home.

For those who are following all of the community policies, your efforts are GREATLY appreciated.

We, the staff at Polo Lakes, extend to you our best wishes for a very happy, healthy, and prosperous rest of the summer into the fall season.

SAVE \$25.00

Your Village of Wellington trash cans cannot be overflowing & must be retrieved from curb by end of pick up day to avoid \$25.00 fine.

Cans left out by curb look very unsightly!

Thank you for Keeping Our Community Beautiful!

FRIENDLY REMINDER

Rent is always due on the 1st day of the month and late after 6 PM on the 3rd. Once late, rent is payable by Cashier's check or money order only and must include the late charges.

MAINTENANCE WANTS TO HELP YOU MAINTANE

--- Change your A/C filter monthly to keep your air-conditioner running more efficiently and to keep your electric bills down. A dirty/clogged filter makes you're a/c unit run harder. Did you know that we provide complimentary filters? Just stop by the office & pick one up.

--- Are you aware that there is a reset button on your garbage disposal? If your disposal stops working, press the red reset button located under your sink. If that doesn't work, call the office.

WORLD OF SPORTS

Name the only sport in which the ball is always in possession of the team on defense, and the offensive team can score without touching the ball?

Where did Earl Woods play baseball for and in what year did he break the Big Eight Conference "color barrier"?

ANSWERS:

The answer is baseball

Earl Woods played for Kansas State and the barrier was broken in 1951.

WE LOVE OUR RESIDENT'S
THANK YOU FOR CALLING POLO LAKES HOME!
